1. Application Fee

A one-time, non-refundable and non-transferable fee covering the processing of admission tests and interviews. All new students must pay this fee upon submission of the application; it cannot be offset against tuition or any other school charges.

2. School Development Fee

A one-time, non-refundable fee paid only by new students. It finances campus improvements such as new or renovated buildings, facility upgrades, student devices (iPads / laptops) and classroom consumables.

3. Secure Placement

To secure a continuing student's place for the next academic year, the family must pay this fee before the end of February (early-bird deadline). The payment is non-refundable and will be credited toward the annual tuition. Missing the deadline could possibly forfeit the seat to wait-listed applicants.

4. Tuition

Includes access to school based after school activities on availability, teacher support and mentorship, all learning materials and resources, use of school technology, stationery, Wi-Fi, and access to sports, music and art facilities. It also includes all compulsory domestic or overseas study trips. Students G6 and above are issued an individual MacBook to use will actively enrolled.

5. Mid-Year Entry Policy

Mid-year entrants are charged tuition on a per semester basis by their first day of attendance and remaining days in the school year. Students may not start classes until all fees are paid in full. Report cards and academic records will be withheld until outstanding balances are settled. Bus and meal fees are also calculated on a per-day basis for the remainder of the semester.

6. Refund Policy

➤ Tuition

Early Withdrawal Request	Annual Tuition Refund	Semester Tuition Refund
Before school year starts	80%	40%
Before end of 1st quarter of School Year	60%	20%
During 2nd quarter of School Year	40%	0%
During 3rd quarter of School Year	20%	20%
During 4th quarter of School Year	0%	0%

- The application fee and school development fee are one-time charges and non-refundable.
- There are no refunds for temporary leave.
- There are no refunds if the student is expelled from the school, or asked to leave, because of serious offense, or breaking of the school rules.
- A completed written Withdrawal Form must be turned in to the Admission office at least one week prior to the student's last day.
- The issuance of any refunds, academic reports, or certificates is contingent upon the completion of the withdrawal process, the return of all school property, and the settlement of all outstanding fees with the school.

➤ Transportation Fee and Meal Fee

- School Bus: Please confirm your need for the service before payment. Due to upfront costs incurred for scheduling and routing, the fee is non-refundable once paid, regardless of cancellation reason.
- Meals: Upfront ingredient purchase and preparation costs are incurred by the caterer. For absences of 3 or more consecutive days, submit a request via the meal-ordering mini-program at least one day in advance; the corresponding fee will be refunded by the caterer at the end of the semester. Requests made late or for shorter absences will not be refunded.
